### HUMAN RESOURCES PROGRAM

The Human Resources Program has been developed by the Management Training Division, Office of Training, as a basic supervisory training program to assist members of the organization with management responsibilities to make the best and fullest use of the individuals under their supervision.

This program consists of four one hour group meetings for each particular group of supervisors, with preferably not more than eighteen in a group; a one-half hour interview with each supervisor; and a follow-up one hour group meeting approximately every eight weeks in the future.

All group meetings are conducted by a member of the staff of the Management Training Division, but the program is intended to become integrated with the normal operations of each organizational unit in which it is established.

The program will not be commenced in any Office until an appreciation meeting of approximately one hour has been held with the top policy staff of that Office. It is essential that this program have the strong and intelligent endorsement of the Office Head and his staff before it is instituted in any Office of the organization.
